### **Speaker #1... Commercial Mortgage Backed Securities: Where do we go from here?**

**Dave Goodson**, *Portfolio Manager, Structured Finance, ING Investment Management*

Dave Goodson is the Portfolio Manager for ING Investment Management's non-agency mortgage, CMBS, and ABS investment portfolios. Prior to joining ING Investment Management, he was a principal at an independent investment bank focused on asset-back commercial paper transactions. Dave also worked as a vice president in Wachovia Securities' asset backed finance group marketing and executing securitizations for the bank's corporate clients. He received his B.A. in management from the Georgia Institute of Technology.

### **Speaker #2... International Financial Reporting for Insurance Contracts**

**Jim Milholland, FSA, MAAA**, *Milholland Actuarial Consulting*

Jim Milholland's presentation is the second part of a two-part presentation. The presentation covers the Exposure Draft of the IASB and the response of the profession to the Exposure Draft. It also covers the different proposal of the FASB for US GAAP for Insurance.

Jim Milholland is a consulting actuary specializing in financial reporting for insurers. Prior to forming Milholland Actuarial Consulting, Jim was a Partner at Ernst & Young. His 28 years at E&Y included 4 years in London where he monitored the development of international financial reporting for insurance contracts. He has assisted global insurers with implementation of IFRS. Mr. Milholland is active with the Accounting Committee of the International Actuarial Association and reports on the activities of the IAA to the Financial Reporter. He is a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. Jim is a graduate of Davidson College and of the University of Wisconsin - Milwaukee.

**A note on the SOA's Continuing Professional Development Requirement:** The SOA Continuing Professional Development (CPD) Requirement took effect on January 1, 2009 and members must report compliance as of December 31, 2010. All ASAs, FSAs and CERAs will be subject to SOA CPD Requirements. The SOA will not determine whether courses meet the SOA CPD Requirement. Ultimately, it is the actuary's responsibility to make a reasonable, good-faith determination as to whether a continuing education event meets the CPD Requirement. Refer to the following for more detail:
